

Home Church App: Staff Walkthrough

Run of show, in order. Admins and leaders/hosts. Release on the 25th.

1. Why the app

Everyone

- Sunday carried into the week
- Built for the person running the living room, not just the seat
- Live the moment it's saved, no app update needed
- Works without signal
- No ads, no tracking

2. Signing in & roles

Everyone

- Email + 8-digit code, no password
- Code may land in junk: mark "Not junk"
- Guest is fine for members; staff need an account
- Member / Leader (host) / Admin
- Nobody sets their own role; admins grant Leader mode
- Missing tools? Ask an admin, then reopen the app

3. Getting around

Everyone

- Menu button (or tab bar: Your account > Display)
- Swipe sideways between screens
- Pull down to refresh
- Search: whole app + your journal
- Tap a Bible reference to read it in place
- Light/dark, text size, hints

4. Home

Everyone

- Pinned banner, greeting, featured video
- Announcements: tap to open, archive box, Announcement Archive
- Socials, service times, latest sermon, reading plan, give

5. Cal

Everyone

- Month view, dots = events
- Add to calendar
- Get notified: phone reminders that follow changes

6. Connect

Everyone

- Get in touch form (emails the office)
- Instagram
- Home groups (in season / between seasons)
- Serve teams, next steps, "I want to host a group"

7. Listen

Everyone

- Latest sermon, series, archive
- "(Working Title)" and "Audio coming soon!" explained
- Link into the guide

8. Guide

Everyone

- The heart of the app
- Six sections: Overview, Summary, Discussion, Self-Reflection, One-Liners, Scripture
- Download guide (PDF), Listen to Sermon
- Highlight + Note this > Journal

9. Journal

Everyone

- Highlights, reflections, blank pages, kept group nights
- Private: nobody else can see it
- Backed up when signed in; Lock the Journal
- Save a copy of everything

10. Rest of the menu

Everyone

- Worship: setlist + streaming links
- Services: times, address, directions
- Practices: nine practices, videos in-app
- Alpha: what it is + register
- Give: opens Overflow

11. Your account

Everyone

- Notifications: new guide, Sunday reminder, announcements
- Urgent news reaches everyone
- Your data: delete account

12. Presentation mode

Leaders & hosts

- Top of every guide
- One question at a time, big type
- Covered this one

13. Group rooms

Leaders & hosts

- Host tonight > pick the Sunday > Open a room
- 6-digit code: read it out or text it
- Reword / remove / add questions (room only)
- Answers locked until host opens them; Open all
- Prayer requests
- First-time ground rules for writers
- Report > Take it down / Leave it up; blocking
- Print everything to PDF / Send as text
- Keep tonight in your journal
- Close the room; deleted after 90 days
- Group mode vs Leader mode: two different switches

14. Announcements

Admins

- Live on save, read before you tap
- Editor: text, pictures, video, link
- Goes up / Comes down dates
- Published / Pin a banner / Tell everybody
- Pushes can't be unsent
- Posted list: reorder, Edit, Notify, Delete, Restore
- Author line (admins & leaders only)

15. Newsletter queue

Admins

- Read every 20 min, nothing goes live alone
- Needs review: Approve / Edit / Discard
- Update it vs Post separately
- Dates to review: Approve / Merge / Keep both
- Fetch Announcements
- First approver wins; "Approved by"
- Admin-only notifications

16. Home groups box

Admins

- Update from the latest announcement
- Put it back to between seasons

17. Calendar editing

Admins

- Add an event / pencil / x on Cal
- Delete is permanent; reminders follow

18. Manage users

Admins

- Search; Admins / Hosts / Members
- Leader mode switch
- Make an admin / member, Remove
- Can't change yourself; keep 2+ admins

19. App settings

Admins

- Maintenance mode (emergencies)
- Edit mode
- Group mode (seasons)
- Pinned banner + Notify everyone
- Featured video

20. Edit mode

Admins

- Pencil on editable sentences, Save / Reset to original
- Not editable: titles, names, dates, links, guide text
- Your phone only; off after 30 min or app close

21. Weekly rhythm

Everyone

- Sun/Mon: guide + setlist
- Mon/Tue: podcast, real title
- All week: announcements, calendar
- Guide fixes go to the content team: _____

22. Privacy talking points

Everyone

- Journal: only you
- Room answers: the room, once opened
- Admins see names + emails only
- No tracking; delete anytime
- Don't promise "encrypted"

23. Before the 25th

Everyone

- Everyone: sign in, allow notifications, try a guide
- Leaders: tell an admin, check presentation mode, practice a room
- Admins: grant Leader mode, 2+ admins, queue owner, Group mode at launch, notification etiquette

24. Q&A;

Demo prep

Presenter only

- Admin phone mirrored + member phone
- Pull to refresh both
- Group mode on; current guide published
- Don't tap Tell everybody / Notify everyone
- Close demo room, turn Edit mode off after
